NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

You are cordially invited to attend the 2018 Annual Meeting of Stockholders (the "Annual Meeting") of YogaWorks, Inc., which will be held on June 20, 2018 at 1:00 p.m. Pacific Time, at Ballard Spahr LLP, located at 2029 Century Park East, Suite 800, Los Angeles, CA 90067, for the following purposes, as more fully described in the proxy statement accompanying this Notice:

1. To elect the two Class I directors named in the accompanying proxy statement to serve on the Company's Board of Directors for three-year terms until the 2021 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified;
2. To ratify the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2018; and
3. To transact such other business as may properly come before the meeting or any adjournment thereof.

The Board of Directors has fixed the close of business on May 17, 2018 as the record date for determining stockholders entitled to vote at the Annual Meeting. Only stockholders of record at the close of business on that date are entitled to notice of and to vote at the Annual Meeting, and at any postponement(s) or adjournment(s) thereof.

Your vote is very important, regardless of the number of shares you own. On behalf of the Board of Directors, we urge you to sign, date and return the enclosed proxy card as soon as possible, even if you currently plan to attend the meeting. If your shares are held in "street name" (which means your shares are held in the name of a brokerage firm, bank or other nominee), in lieu of a proxy card you should receive from that institution an instruction form for voting by mail and you may also be eligible to vote your shares electronically over the Internet or by telephone. Should you receive more than one proxy card or voting instruction form because your shares are held in multiple accounts or registered in different names or addresses, please sign, date and return each proxy card or voting instruction form to ensure that all of your shares are voted. You may revoke your proxy at any time prior to the Annual Meeting. If you attend the Annual Meeting and vote by ballot, any proxy that you previously submitted will be revoked automatically and only your vote at the Annual Meeting will be counted. For further information, please see the discussion of voting rights and proxies beginning on page 1 of the enclosed proxy statement.

By order of the Board of Directors,

/s/ Kurt C. Donnell

**PROXY STATEMENT
FOR THE 2018 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 20, 2018**

Date, Time and Place of Meeting

These proxy materials and the enclosed proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of YogaWorks, Inc., a Delaware corporation ("YogaWorks"), to be voted at the 2018 Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 20, 2018 and at any adjournment(s) or postponement(s) of the meeting. The Annual Meeting will be held at 1:00 p.m. Pacific Time, at Ballard Spahr LLP, located at 2029 Century Park East, Suite 800, Los Angeles, CA 90067. If you need directions to the Annual Meeting, please contact (424) 204-4400.

These proxy materials and the form of proxy are expected to be mailed on or about May 24, 2018 to our stockholders who are entitled to vote at the Annual Meeting.

Purpose of Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of the Annual Meeting of Stockholders and are described in more detail in this proxy statement.

Internet Availability of Materials

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS: Stockholders may view the Notice of the Annual Meeting of Stockholders, the proxy statement, proxy card and the annual report on Form 10-K for the fiscal year ended December 31, 2017 on the Internet by accessing <http://www.yogaworks.com>. Information on this website does not constitute part of this proxy statement and shall not be deemed incorporated by reference therein.

Voting Rights

The record date for determining those stockholders who are entitled to notice of, and to vote at, the Annual Meeting has been fixed as May 17, 2018 (the "record date") and as of April 30, 2018, 16,368,776 shares of YogaWorks' common stock, par value \$0.001 per share (the "common stock"), are outstanding. Each stockholder is entitled to one vote for each share of common stock held by such stockholder as of the record date.

The presence in person or by proxy of the holders of a majority of the outstanding shares of common stock entitled to vote will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Broker non-votes occur when brokers or nominees who hold stock in "street name" return proxy cards stating that they do not have authority to vote the stock which they hold on behalf of beneficial owners. If a broker or nominee does not receive voting instructions from the beneficial owner, the broker may vote on only "routine" matters, such as the ratification of the independent registered public accounting firm (Proposal Two). Brokers and nominees may not vote on "non-routine" matters, including the election of directors under Proposal One, absent instructions from the beneficial owner. If you hold your shares in street name or through a broker, it is important that you give your broker your voting instructions.

Voting

If you are a "registered holder," that is, your shares are registered in your own name through our transfer agent, you may vote by returning a completed proxy card in the enclosed postage-paid envelope. If your shares are held in "street name" (which means your shares are held in the name of a brokerage firm, bank or other nominee), then in lieu of a proxy card, you should receive a voting instruction form from that institution by mail. The voting instruction form should indicate whether the institution has a process for beneficial holders to vote over the Internet or by telephone. Stockholders who vote over the Internet or by telephone need not return a proxy card or voting instruction form by mail, but may incur costs, such as usage charges, from telephone companies or Internet service providers. If your voting instruction form does not reference Internet or telephone information, please complete and return the paper voting instruction form in the self-addressed, postage-paid envelope provided with this proxy statement.

If you are a registered holder, you may also vote your shares in person at the Annual Meeting. If your shares are held in street name and you wish to vote in person at the meeting, you must obtain a proxy issued in your name from the record holder and bring it with you to the Annual Meeting. We recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

Proxies

Please use the enclosed proxy card to vote by mail. If your shares are held in street name, then in lieu of a proxy card you should receive from the brokerage firm, bank or other nominee an instruction form for voting by mail, the Internet or by telephone. Should you receive more than one proxy card or voting instruction form because your shares are held in multiple accounts or registered in different names or addresses, please be sure to complete, sign, date and return each proxy card or voting instruction form to ensure that all of your shares will be voted. Only proxy cards and voting instruction forms that have been signed, dated and timely returned (or otherwise properly voted by Internet or telephone) will be counted in the quorum and voted. Properly executed proxies will be voted in the manner directed by the stockholders.

If the proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted FOR the election of each of the persons nominated by the Board under Proposal One and FOR the approval of Proposal Two described in this proxy statement and the accompanying notice.

The enclosed proxy also grants the proxy holders discretionary authority to vote on any other business that may properly come before the Annual Meeting as well as any procedural matters. We have not been notified by any stockholder of his or her intent to present a stockholder proposal at the Annual Meeting.

If your shares are held in your name, you may revoke or change your vote at any time before the Annual Meeting by filing a notice of revocation or another signed proxy card with a later date with our Corporate Secretary at 5780 Uplander Way, Culver City, CA 90230. If your shares are held in street name, you should contact the record holder to obtain instructions if you wish to revoke or change your vote before the Annual Meeting. If you attend the Annual Meeting and vote by ballot, any proxy that you submitted previously to vote the same shares will be revoked automatically, and only your vote at the Annual Meeting will be counted.

Please note, however, that if your shares are held in street name, your vote in person at the Annual Meeting will not be effective unless you have obtained and present a valid proxy issued in your name from the record holder. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Solicitation

The enclosed proxy is being solicited by our Board. The Company will bear the entire cost of proxy solicitation, including the costs of preparing, assembling, printing, and mailing this proxy statement, the proxy card, and any additional material furnished to the stockholders. Copies of the solicitation materials will be furnished to brokerage houses, fiduciaries, and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, we may reimburse such persons for their reasonable expenses in forwarding the solicitation materials to the beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by personal contact, telephone, facsimile, email or any other means by our directors, officers, or employees. No additional compensation will be paid to these individuals for any such services.

In the discretion of management, we reserve the right to retain a professional firm of proxy solicitors to assist in solicitation of proxies. Although we do not currently expect to retain such a firm, we estimate that the fees of such firm would range from \$5,000 to \$20,000 plus out-of-pocket expenses, all of which would be paid by the Company.

MATTERS TO COME BEFORE THE ANNUAL MEETING

PROPOSAL ONE:

ELECTION OF DIRECTORS

There are currently five directors serving on the Board, two of whom are standing for reelection at the Annual Meeting to serve for a three-year term and until the election and qualification of their respective successors. In accordance with the Amended and Restated Certificate of Incorporation of the Company (the "Certificate of Incorporation") and the Amended and Restated Bylaws of the Company (the "Bylaws"), our Board is divided into three classes with staggered three-year terms. At each annual meeting of stockholders after the initial classification in 2017, the successors to the directors whose terms will then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election. Our directors are divided among the three classes as follows:

- the Class I directors are Michael J. Gerend and Michael A. Kumin, and their terms will expire at the Annual Meeting to be held on June 20, 2018;
- the Class II directors are Rosanna C. McCollough and Brian T. Cooper, and their terms will expire at the annual meeting of stockholders to be held in 2019; and
- the Class III director is Peter L. Garran, and his term will expire at the annual meeting of stockholders to be held in 2020.

Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. This classification of our Board may have the effect of delaying or preventing changes in control of our Company.

Our Board selected and approved the following persons as nominees for election at the Annual Meeting to serve for a three-year term until the annual meeting of stockholders to be held in 2020, or until their successors are duly elected and qualified or until their earlier resignation or removal: Michael J. Gerend and Michael A. Kumin.

Each nominee for election is currently a member of our Board and has agreed to serve if elected. We have no reason to believe that any of the nominees will be unavailable to serve. In the event any of the nominees named herein is unable to serve or declines to serve at the time of the Annual Meeting, the persons named in the enclosed proxy will exercise discretionary authority to vote for substitutes. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominees named above.

Stockholder Approval

Directors shall be elected by a plurality of the votes cast, which means that the two candidates receiving the highest number of affirmative votes, present in person or represented by proxies and entitled to vote at the Annual Meeting, will be elected to the Board. With respect to the election of directors, you may vote "for" or "withhold" authority to vote for each of the nominees for the Board. "Withhold" votes and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the election of the nominees.

Recommendation of the Board of Directors

Our Board of Directors recommends a vote "FOR" the election of Messrs. Gerend and Kumin.

In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. We expect representatives of BDO to be present at the Annual Meeting. Stockholder Approval

This proposal will be approved if the votes cast for the proposal exceed the votes cast against it.

AUDIT COMMITTEE REPORT

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC") designed to improve disclosures related to the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies, the Audit Committee of our Board of Directors submits the following report:

Audit Committee Report to Stockholders

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three directors, of which Messrs. Cooper and Gerend are independent as defined by the NASDAQ Stock Market's Marketplace Rules. The Audit Committee operates under a written charter approved by the Board and held four meetings during the year ended December 31, 2017. A copy of the charter is available on the Company's website at www.yogaworks.com by choosing the "Investor Relations" link then clicking on the "Corporate Governance" section.

Management is responsible for the Company's internal controls over financial reporting, disclosure controls and procedures and the financial reporting process. The independent registered public accounting firm, BDO USA, LLP ("BDO") is responsible for performing an independent audit of the Company's consolidated financial statements and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee has established a mechanism to receive, retain and process complaints on auditing, accounting and internal control issues, including the confidential, anonymous submission by employees, vendors, customers and others of concerns on questionable accounting and auditing matters.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the year ended December 31, 2017 audited consolidated financial statements. The Audit Committee also discussed with the independent registered public accounting firm BDO, the matters required by Statement on Auditing Standards Update No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the PCAOB in Rule 3200T. In addition, the Audit Committee received the written disclosures from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed the independent registered public accounting firm's independence from the Company and its management.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2017 filed with the SEC.

The Audit Committee also has appointed, subject to stockholder ratification, BDO as the Company's independent registered public accounting firm for the year ending December 31, 2018.

Respectfully submitted,

THE AUDIT COMMITTEE

Brian T. Cooper, Chairman
Peter L. Garran
Michael J. Gerend

CORPORATE GOVERNANCE

General

The business and affairs of our Company are managed under the direction of the Board in accordance with the Company's Certificate of Incorporation and Bylaws. Members of the Board are kept informed of the Company's business through discussions with the Chairman of the Board, the President and Chief Executive Officer, and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees.

Board Composition

Our Bylaws provide that the Board shall consist of that number of directors to be determined from time to time by vote of our Board and is currently set at five members. Currently the Board consists of the following directors: Peter L. Garran, Rosanna C. McCollough, Brian T. Cooper, Michael J. Gerend and Michael A. Kumin.

The Board has determined that two of its five directors, Brian T. Cooper and Michael J. Gerend, are independent as defined by the NASDAQ Stock Market's Marketplace Rules. In evaluating the independence of Messrs. Gerend and Cooper, our Board considered their current and historical employment, any compensation we have given to them, any transactions we have with them, their beneficial ownership of our capital stock, their ability to exert control over us, all other material relationships they have had with us and the same facts with respect to their immediate family. The Board also considered all other relevant facts and circumstances known to it in making this independence determination. In addition, Messrs. Garran and Kumin are non-employee directors, as defined in Rule 16b-3 of the Exchange Act. In addition to such rules, the Board considered transactions and relationships between each director (and his or her immediate family) and the Company to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

Although there is no specific policy regarding diversity in identifying director nominees, the Board seeks the talents and backgrounds that would be most helpful to the Company in selecting director nominees. In particular, the Board may consider whether a director candidate, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience.

Board Leadership Structure

Our Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide effective oversight of management. Our Bylaws and corporate governance guidelines provide our Board with flexibility to combine or separate the positions of chairperson of the Board and chief executive officer. Our Board currently believes that our existing leadership structure, under which Mr. Garran serves as chairperson of our Board and is a non-employee director, is effective, provides the appropriate balance of authority between independent and non-independent directors, and achieves the optimal governance model for us and for our stockholders.

Board Oversight of Risk

Although management is responsible for the day-to-day management of the risks our company faces, our Board and its committees take an active role in overseeing management of our risks and have the ultimate responsibility for the oversight of risk management. The Board regularly reviews information regarding our operational, financial, legal and strategic risks. Specifically, senior management attends quarterly meetings of the Board, provides presentations on operations including significant risks, and is available to address any questions or concerns raised by our Board.

In addition, two Board committees assist the Board in fulfilling its oversight responsibilities regarding risk. The Audit Committee coordinates the Board's oversight of the Company's internal control over financial reporting, disclosure controls and procedures, related party transactions and code of conduct and corporate governance guidelines and management regularly reports to the Audit Committee on these areas. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. When any of the committees receives a report related to material risk oversight, the chairperson of the relevant committee will report on the discussion to the full Board.

Code of Business Conduct and Ethics

The Audit Committee of the Board has approved a Business Code of Conduct and Ethics for the Company's directors and employees, including the principal executive officer and principal financial and accounting officer. The Code addresses such topics as protection and proper use of the Company's assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, and conflicts of interest. It is available on the Company's website at www.yogaworks.com under "Investor Relations/Corporate Governance/Governance Highlights."

Stockholder Communications

The Board has established a process by which stockholders may send written communications to the attention of the Board, any committee of the Board or any individual Board member, care of our Corporate Secretary. The name of any specific intended Board recipient should be noted in the communication. Our Corporate Secretary will be primarily responsible for collecting, organizing and monitoring communications from stockholders and, where appropriate depending on the facts and circumstances outlined in the communication, providing copies of such communications to the intended recipients. Communications will be forwarded to directors if they relate to appropriate and important substantive corporate or Board matters. Communications that are of a commercial or frivolous nature, or are offensive or otherwise inappropriate for the Board's consideration will not be forwarded to the Board. Stockholders who wish to communicate with the Board can write to the Corporate Secretary via email at ir@yogaworks.com or mail c/o YogaWorks, Inc. at 5780 Uplander Way, Culver City, CA 90230.

Board Meetings; Attendance at Annual Stockholders Meeting

The Board met four times during fiscal 2017. All directors attended at least 75% of the meetings of the Board and Board Committees on which the director served during the last fiscal year. We do not have a formal policy regarding attendance by members of our Board at annual meetings of our stockholders; however, our directors are encouraged to attend all such meetings. This will be our first Annual Meeting of Stockholders.

Controlled Company Exception

Great Hill Partners has a majority of the voting power of our outstanding common stock. As a result, under our Certificate of Incorporation, Great Hill Partners will be able to nominate a majority of the total number of directors comprising our Board and we will remain a "controlled company" within the meaning of the NASDAQ corporate governance standards. Under the NASDAQ corporate governance standards, a company of which more than 50% of the voting power is held by an individual, group or another company is a "controlled company" and may elect not to comply with certain corporate governance standards, including (1) the requirement that a majority of the Board consist of independent directors, (2) the requirement that we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, (3) the requirement that we have a nominating and corporate governance committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, and (4) the requirement for an annual performance evaluation of the nominating and corporate governance and compensation committees.

We utilize certain of these exemptions. As a result, we do not have a nominating and corporate governance committee and our compensation committee may not be composed entirely of independent directors. Accordingly, stockholders do not have the same protections afforded to stockholders of companies that are subject to all of the NASDAQ corporate governance requirements. In the event that we cease to be a “controlled company,” we will be required to comply with these provisions within the transition periods specified in the NASDAQ corporate governance rules.

Audit Committee

Our audit committee oversees our corporate accounting and financial reporting process. Among other matters, the audit committee:

- appoints our independent registered public accounting firm;
- evaluates the independent registered public accounting firm’s qualifications, independence and performance;
- determines the engagement of the independent registered public accounting firm;
- reviews and approves the scope of the annual audit and the audit fee;
- discusses with management and the independent registered public accounting firm the results of the annual audit and the review of our quarterly financial statements;
- approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services;
- monitors the rotation of partners of the independent registered public accounting firm on our engagement team in accordance with requirements established by the SEC;
- is responsible for reviewing our financial statements and our management’s discussion and analysis of financial condition and results of operations to be included in our annual and quarterly reports to be filed with the SEC;
- reviews our critical accounting policies and estimates; and
- reviews the audit committee charter and the committee’s performance at least annually.

Our audit committee members are Brian T. Cooper (chairperson), Michael J. Gerend and Peter L. Garran. All members of our audit committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and NASDAQ. Our Board has determined that Brian T. Cooper is an audit committee financial expert as defined under the applicable rules of the SEC and has the requisite financial sophistication as defined under the applicable rules and regulations of NASDAQ.

Under the rules of the SEC, members of the audit committee must also meet heightened independence standards. Our Board has determined that each of Messrs. Cooper and Gerend are independent under the heightened audit committee independence standards of the SEC and NASDAQ. It has been determined that Mr. Garran is not independent due to his past and continued employment and partnership with Great Hill Partners, L.P.; however it has been determined that Mr. Garran’s involvement on the Audit Committee is in the best interests of the Company due to his vast financial experience based on board service and advisement to public and private companies and his deep understanding of our business due to his historical involvement with our Company.

We do not believe Mr. Garran's service on the Audit Committee materially adversely affects the ability of the Audit Committee to act independently or satisfy the other applicable requirements of SEC Rule 10A-3 because the two other members of the Audit Committee, who represented a majority of the committee, have been at all such times independent directors. As a result, the two independent committee members could approve any Audit Committee action and no action could have been approved by the Audit Committee without the concurrence of at least one of the two independent members. As allowed under the applicable rules and regulations of the SEC and NASDAQ, we intend to phase in compliance with the heightened audit committee independence requirements prior to the end of the one-year transition period.

The audit committee operates under a written charter that satisfies the applicable standards of the SEC and NASDAQ, which is posted on our website at www.yogaworks.com (under "Investors / Corporate Governance"). The Audit Committee met two times during 2017.

Compensation Committee

Our compensation committee reviews and recommends policies relating to compensation and benefits of our officers and employees. Among other matters, the compensation committee:

- reviews and recommends corporate goals and objectives relevant to compensation of our chief executive officer and other executive officers;
- evaluates the performance of these officers in light of those goals and objectives recommends to our Board the compensation of these officers based on such evaluations;
- discusses and considers recommendations from our chief executive officer on director and executive officer compensation;
- recommends to our Board the issuance of stock options and other awards under our stock plans; and
- reviews and evaluates, at least annually, the performance of the compensation committee and its members, including compliance by the compensation committee with its charter.

Members of our compensation committee are Michael J. Gerend (chairperson) and Brian T. Cooper. Each of the members of our compensation committee is independent under the applicable rules and regulations of NASDAQ, is a "non-employee director" as defined in Rule 16b-3 promulgated under the Exchange Act and is an "outside director" as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended, or Section 162(m). The compensation committee operates under a written charter that satisfies the applicable standards of the SEC and NASDAQ, which is posted on our website at www.yogaworks.com (under "Investors / Corporate Governance"). The Compensation Committee met two times during 2017.

Limitation on Liability and Indemnification Matters

Our Certificate of Incorporation contains provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Consequently, our directors will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for:

- any breach of the director's duty of loyalty to us or our stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or
- any transaction from which the director derived an improper personal benefit.

Our Certificate of Incorporation and Bylaws provide that we are required to indemnify our directors and officers, in each case to the fullest extent permitted by Delaware law. Our Bylaws also provide that we are obligated to advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under Delaware law. We have entered into agreements to indemnify our directors, executive officers and other employees as determined by our Board. With specified exceptions, these agreements provide for indemnification for related expenses including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our Certificate of Incorporation and Bylaws may discourage stockholders from bringing a lawsuit against our directors and officers for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and our stockholders. Further, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage.

Director Compensation Program

Under the Director Compensation Program, on the date of each annual meeting of our stockholders, each non-employee director as of the date of such meeting who will continue to serve on our Board following such meeting will receive an award of restricted stock units with a grant-date value equal to \$100,000 (or, for any non-employee director who will serve as the chair of the audit committee immediately following such meeting, \$120,000) (each, an "Annual Award"). Each non-employee director who commences service on the Board at any time other than on the date of an annual meeting of our stockholders will receive a pro-rated Annual Award for his or her initial year of service on the Board. In addition, the Director Compensation Program provided that, in connection with our initial public offering ("IPO") completed on August 16, 2017, each non-employee director received a one-time award of restricted stock units with a grant-date value equal to \$100,000 (or, with respect to the chair of the audit committee, \$120,000).

Awards of restricted stock units granted under the Director Compensation Program will vest in full on the earlier to occur of the first anniversary of the grant date or the annual meeting of stockholders next-following the meeting at which such award was granted, subject to the non-employee director's continued service on our Board through the vesting date.

Pursuant to the Director Compensation Program, non-employee directors also receive reimbursement of reasonable business expenses incurred in connection with their service on our Board.

The following table sets forth the compensation of the non-employee directors of YogaWorks for 2017.

Director	Fees Earned or Paid in Cash	All Other Compensation(1)	Total
Peter L. Garran	\$ —	\$ 37,533	\$ 37,533
Brian T. Cooper	—	45,041	45,041
Michael J. Gerend	—	37,533	37,533
Michael A. Kumin	—	37,533	37,533

(1) Amounts represent the stock compensation expense recognized in 2017 for the fair value of restricted stock units granted.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires certain officers of the Company and its directors, and persons who beneficially own more than ten percent of any registered class of the Company's equity securities, to file reports of ownership in such securities and changes in ownership in such securities with the SEC. Specific due dates for these reports have been established, and we are required to report any failure to file by such dates. Based solely on a review of the reports and written representations provided to the Company by the above referenced persons, the Company believes that, with respect to 2017, all Section 16(a) filings required by its reporting officers, directors and greater than ten percent beneficial owners were timely satisfied.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The following is a description of transactions since January 1, 2016, to which we have been a party, in which the amount involved exceeds or will exceed \$120,000 and in which any of our directors, executive officers or holders of more than 5% of our capital stock, or an affiliate or immediate family member thereof, had or will have a direct or indirect material interest.

Great Hill Partners

On March 24, 2017, we converted of all of our outstanding preferred stock, all beneficially owned by Great Hill Partners, into 7,426,169 shares of our common stock.

On March 27, 2017, we issued to Great Hill Partners convertible notes in the aggregate principal amount of \$3.2 million, with an annual interest rate of 8% and with a maturity date of March 27, 2018. These convertible notes were convertible into shares of our common stock, at the option of the holder, at a conversion price of \$8.40 per share of common stock. These convertible notes were repaid immediately following the completion of our IPO.

On August 16, 2017, Great Hill Partners purchased \$15.0 million in shares of our common stock at the initial public offering price of \$5.50.

Indemnification Agreements and Directors' and Officers' Liability Insurance

We have entered into indemnification agreements with each of our directors and executive officers. These agreements, among other things, require us to indemnify each director and executive officer to the fullest extent permitted by Delaware law, including indemnification of expenses such as attorneys' fees, judgments, penalties fines and settlement amounts incurred by the director or executive officer in any action or proceeding, including any action or proceeding by or in right of us, arising out of the person's services as a director or executive officer.

Policies and Procedures for Related Party Transactions

Our Board has adopted a written related person transaction policy setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, where the amount involved exceeds the lesser of \$120,000 or 1% of the average of the Company's total assets at year-end for the last two completed fiscal years and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person. In reviewing and approving any such transactions, our Audit Committee, but only those independent directors who are disinterested, is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction with an unrelated third party and the extent of the related person's interest in the transaction. All of the transactions described in this section occurred prior to the adoption of this policy.

Family Relationships

There are no family relationships between or among our directors, executive officers, or persons nominated or chosen by the Company to become directors or executive officers not disclosed above.

Narrative to Summary Compensation Table

2017 Salaries

The named executive officers receive base salaries to compensate them for services rendered to our company. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive’s seniority, skill set, experience, role and responsibilities.

2017 Performance Bonuses

In 2017, Mmes. McCollough and Dawson and Mr. Chang were eligible to earn annual cash bonuses targeted at \$100,000, \$75,000 and \$50,000, respectively. Each named executive officer was eligible to earn his or her bonus based on the attainment of the company's 2017 EBITDA target, the attainment of the company's 2017 revenue target and the attainment of individual performance metrics.

We did not attain our EBITDA and revenue targets during fiscal year 2017. However, Mmes. McCollough and Dawson, and Mr. Chang each became entitled to receive a cash bonus equal to \$42,500, \$37,500 and \$32,500 based on the attainment of their individual performance metrics.

The actual annual cash bonuses awarded to each named executive officer for 2017 performance are set forth above in the 2017 Summary Compensation Table in the column entitled "Non-Equity Incentive Plan Compensation".

Other Elements of Compensation

Retirement Plans

We currently maintain a 401(k) retirement savings plan for our employees, including our named executive officers, who satisfy eligibility requirements. We expect that our named executive officers will be eligible to participate in the 401(k) plan on the same terms as other full-time employees. The Internal Revenue Code allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan adds to the overall desirability of our compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

Employee Benefits and Perquisites

All of our full-time employees, including our named executive officers, are eligible to participate in our health and welfare plans, including medical, dental and vision benefits, medical and dependent care flexible spending accounts, short-term and long-term disability insurance and life insurance.

As part of her compensation package, Ms. McCollough is entitled to payment of the costs of health insurance premiums for her and her eligible dependents, as well as reimbursement for the costs of her personal telephone, laptop computer and membership fees or dues in trade or professional organizations. In addition, Ms. Dawson and Mr. Chang received reimbursement of costs associated with the use of their personal telephones and Ms. Dawson received reimbursement of costs associated with the use of her automobile. The purpose of these benefits and perquisites is to ensure that our named executive officers are able to devote their full business time to our affairs, to project the proper corporate image for the company and to make employment at the company attractive at a relatively modest cost for stockholders.

No Tax Gross-Up Obligations

We have no obligation to make tax gross-up or similar payments to or in respect of amounts that may become payable to any of our named executive officers or other employees, including but not limited to any such gross-up obligations with respect to any amounts deemed to constitute "excess parachute payments" under Internal Revenue Code Section 280G.

Equity Compensation

The following table sets forth the restricted stock units granted to our named executive officers during the 2017 fiscal year, and the per-share purchase price of such awards.

In connection with our IPO, we adopted a 2017 Incentive Award Plan (the “2017 Plan”) in order to facilitate the grant of cash and equity incentives to directors, employees (including our named executive officers) and consultants of our company and certain of its affiliates and to enable our company and certain of its affiliates to obtain and retain services of these individuals, which is essential to our long-term success. For additional information about the 2017 Plan, please see the section titled “Equity Incentive Plans – 2017 Plan” below.

On August 16, 2017, we granted awards of restricted stock units under the 2017 Plan to each of Mmes. McCollough and Dawson and Mr. Chang. Each award will vest with respect to one-fourth (1/4th) of the restricted stock units subject thereto on the first anniversary of the applicable vesting commencement date and with respect to one-forty-eighth of the shares subject thereto on each monthly anniversary of the applicable vesting commencement date thereafter. At the grant date of August 16, 2017, the closing price of our Company’s common stock was \$4.41.

Executive Compensation Arrangements

Executive Employment Agreements

On March 27, 2017, we entered into executive employment agreements with each of Mmes. McCollough and Dawson and Mr. Chang (the "New Employment Agreements") which superseded and replaced their prior employment agreements. Pursuant to the New Employment Agreements, Ms. McCollough serves as our Chief Executive Officer and President, Ms. Dawson served as our Chief Customer Officer and Mr. Chang serves as our Chief Financial Officer. Each New Employment Agreement has an initial one-year term ending January 1, 2018 and is subject to automatic one-year renewals thereafter, unless either party provides at least ninety days' prior written notice of non-renewal. As noted above, on April 20, 2018, Ms. Dawson departed from our Company as our Chief Customer Officer.

The New Employment Agreements provide for annual base salaries of \$300,000 for Ms. McCollough, \$275,000 for Ms. Dawson and \$220,000 for Mr. Chang, and for eligibility to participate in employee benefit plans, programs and arrangements provided to our senior executives generally. In addition, the New Employment Agreements provide that Mmes. McCollough and Dawson and Mr. Chang are eligible to receive annual cash bonuses targeted at \$100,000, \$75,000 and \$50,000, respectively, based on the attainment of pre-established company and individual performance metrics (with additional incentives payable in the company's discretion for surpassing key metric goals). Ms. McCollough's New Employment Agreement also provides that the company will pay the full amount of health insurance premiums for her and her eligible dependents. In addition, the New Employment Agreements provide for (i) reimbursement for the costs of Ms. McCollough's cellular telephone, laptop computer and membership fees and dues in any trade or professional association or organization mutually agreed to by Ms. McCollough and our Board, (ii) for Ms. Dawson and Mr. Chang, company reimbursement of \$125 per month for the use of their personal phones and (iii) for Ms. Dawson, reimbursement for business use of her personal automobile.

Under their New Employment Agreements, upon a termination of the applicable executive without "cause," due to the applicable executive's death or disability or due to the applicable executive's resignation for "good reason" (each such term as defined in the applicable New Employment Agreement), subject to the applicable executive's timely execution and non-revocation of a general release of claims, the executive will be eligible to receive (1) twelve months (in the case of Ms. McCollough), three months (in the case of Ms. Dawson) or six months (in the case of Mr. Chang) of continued payment of base salary, (2) if such termination occurs on or after July 1 of any year, a pro rata portion of the executive's annual bonus for the year of termination, (3) company-subsidized medical, dental or vision coverage for up to twelve months (in the case of Ms. McCollough), three months (in the case of Ms. Dawson) or six months (in the case of Mr. Chang) following termination and (3) for Ms. McCollough only, accelerated vesting of any shares subject to outstanding equity incentive awards then held by her that would have otherwise vested during the twelve-month period following termination.

The New Employment Agreements also contain confidentiality, nondisclosure and invention assignment provisions effective during and after employment, as well as non-solicitation restrictions that are effective during the applicable executive's employment with us and for twelve months thereafter.

In connection with Ms. Dawson's departure, the Company entered into a Separation Agreement and Release on April 25, 2018, which relinquished all of Ms. Dawson's severance rights under her New Employment Agreement. The separation agreement provided that Ms. Dawson will instead receive (1) a cash payment of \$137,500, which shall be paid in accordance with the Company's normal payroll practices over the six-month period following her date of termination (April 20, 2018), and (2) reimbursement for healthcare coverage expenses under COBRA until the earlier of (a) six months following her termination, (b) the date Ms. Dawson is no longer eligible for COBRA, or (c) the date Ms. Dawson becomes eligible for healthcare coverage from a subsequent employer. The separation agreement also contained customary provisions in an agreement of this type, including a release of the Company by Ms. Dawson.

Equity Incentive Plans

We currently maintain the 2014 Plan, which became effective on July 11, 2014. In connection with the IPO, we adopted the 2017 Plan. No further awards will be made under the 2014 Plan.

2017 Plan

The material terms of the 2017 Plan to be in effect as of the effectiveness of this registration statement are summarized below:

Share Reserve. The aggregate number of shares of company common stock reserved for issuance pursuant to awards granted under the 2017 Plan (the “Share Limit”) equals the sum of:

(i) 2,263,213, plus (ii) any shares which, as of the effective date of the 2017 Plan, are subject to awards under the 2014 Plan which are forfeited or lapse unexercised following the effective date of the 2017 Plan, plus (iii) an annual increase on the first day of each calendar year beginning on January 1, 2018 and ending on and including January 1, 2027 equal to the lesser of (a) 5% of the shares outstanding (on an as-converted basis) on the final day of the immediately preceding calendar year, and (b) such smaller number of shares as determined by the Board. No more than 4,000,000 shares may be issued upon the exercise of incentive stock options.

If an award under the 2017 Plan is forfeited, expires or is settled for cash (in whole or in part), any shares subject to such award may, to the extent of such forfeiture, expiration or cash settlement, be used again for new grants under the 2017 Plan. However, the following shares may not be used again for grant under the 2017 Plan: (i) shares tendered or withheld to satisfy grant or exercise price or tax withholding obligations associated with an award; (ii) shares subject to a stock appreciation right, or SAR, that are not issued in connection with the stock settlement of the SAR on its exercise; and (iii) shares purchased on the open market with the cash proceeds from the exercise of options. The payment of dividend equivalents in cash in connection with outstanding awards will not be counted against the Share Limit.

Awards granted under the 2017 Plan upon the assumption of, or in substitution for, awards authorized or outstanding under a qualifying equity plan maintained by an entity with which the company enters into a merger or similar corporate transaction will not reduce the shares available for grant under the 2017 Plan. The maximum number of shares of common stock that may be subject to one or more awards granted to any participant pursuant to the 2017 Plan during any calendar year will be 300,000 shares, the maximum amount that may be paid in cash to any one participant during any calendar year under one or more awards payable in cash will be \$3.0 million and, to the extent required by Section 162(m) of the Code, shares subject to awards which are canceled will continue to be counted against the foregoing award limits; however, the foregoing limitations shall not apply until the earliest of the following events to occur after the date on which the company becomes a publicly-traded company: (a) the first material modification of the 2017 Plan; (b) the issuance of all of the shares reserved for issuance under the 2017 Plan; (c) the expiration of the 2017 Plan; (d) the first meeting of stockholders at which members of the Board are to be elected that occurs after the close of the third calendar year following the calendar year in which the company was first registered under Section 12 of the Exchange Act; or (e) such other date required by Section 162(m) of the Code. The grant date value of awards granted to any non-employee director pursuant to the 2017 Plan during any calendar year may not exceed \$500,000.

Administration. The Board will administer the 2017 Plan with respect to awards granted to non-employee directors and the company's compensation committee will administer the 2017 Plan with respect to awards granted to other participants. The Board or compensation committee may delegate their duties and responsibilities to committees of directors and/or officers, subject to certain limitations that may be imposed under Section 162(m) of the Code, Section 16 of the Exchange Act and/or stock exchange rules. To the extent that the compensation committee constitutes the plan administrator, it must consist of at least two members of the Board, each of whom is intended to qualify as an "outside director," within the meaning of Section 162(m) of the Code, a "non-employee director" for purposes of Rule 16b-3 under the Exchange Act and an "independent director" within the meaning of the rules of the applicable stock exchange on which shares of common stock are traded. Subject to the terms and conditions of the 2017 Plan, the plan administrator has the authority to select the persons to whom awards are to be made, to determine the number of shares to be subject to awards and the types, terms and conditions of awards and to make all other determinations and to take all other actions necessary or advisable for the administration of the 2017 Plan. The plan administrator is also authorized to adopt, amend or rescind rules relating to administration of the 2017 Plan.

Eligibility. Options, SARs, restricted stock, RSUs and all other stock-based and cash-based awards under the 2017 Plan may be granted to officers, employees and consultants of the Company and certain of its affiliates. Awards also may be granted to the Company's directors. Only employees of the Company or certain of its subsidiaries may be granted ISOs.

Awards. The 2017 Plan provides for the grant of stock options (including ISOs and NSOs), SARs, restricted stock, RSUs, dividend equivalents, performance awards and stock payments, or any combination thereof. No determination has been made as to the types or amounts of awards that will be granted to specific individuals pursuant to the 2017 Plan. Each award will be set forth in a separate agreement and will indicate the type and terms and conditions of the award.

- *Stock Options.* Stock options provide for the right to purchase shares of the company common stock in the future at a specified price that is established on the date of grant. ISOs, by contrast to NSOs, may provide tax deferral beyond exercise and favorable capital gains tax treatment to their holders if certain holding period and other requirements of the Code are satisfied. The exercise price of a stock option may not be less than 100% of the fair market value of the underlying share on the date of grant (or 110% in the case of ISOs granted to certain significant stockholders), except with respect to certain substitute options granted in connection with a corporate transaction. The term of a stock option may not be longer than ten years (or five years in the case of ISOs granted to certain significant stockholders). Vesting conditions determined by the plan administrator may apply to stock options and may include continued service, performance and/or other conditions.
- *Restricted Stock.* Restricted stock is an award of nontransferable shares of common stock that remains forfeitable unless and until specified vesting conditions are met. In general, restricted stock may not be sold or otherwise transferred until restrictions are removed or expire. Holders of restricted stock will have voting rights and, except with respect to performance vesting awards, will have the right to receive dividends, if any, prior to the time when the restrictions lapse.
- *Restricted Stock Units.* RSUs are contractual promises to deliver shares of common stock (or the fair market value of such shares in cash) in the future, which may also remain forfeitable unless and until specified vesting conditions are met. RSUs generally may not be sold or transferred until vesting conditions are removed or expire. The shares underlying RSUs will not be issued until the RSUs have vested, and recipients of RSUs generally will have no voting or dividend rights prior to the time when the RSUs are settled in shares, unless the RSU includes a dividend equivalent right (in which case the holder may be entitled to dividend equivalent payments under certain circumstances). Delivery of the shares underlying RSUs may be deferred under the terms of the award or at the election of the participant, if the plan administrator permits such a deferral.

- *Stock Appreciation Rights.* SARs entitle their holder, upon exercise, to receive an amount equal to the appreciation of the shares subject to the award between the grant date and the exercise date. The exercise price of any SAR granted under the 2017 Plan must be at least 100% of the fair market value of a share of company common stock on the date of grant (except with respect to certain substitute SARs granted in connection with a corporate transaction) and the term of a SAR may not be longer than ten years. Vesting conditions determined by the plan administrator may apply to SARs and may include continued service, performance and/or other conditions. SARs under the 2017 Plan will be settled in cash or shares of company common stock, or in a combination of both, as determined by the administrator.
- *Dividend Equivalents.* Dividend equivalents represent the value of the dividends, if any, per share paid by the company, calculated with reference to the number of shares covered by the award. Dividend equivalents generally are credited as of dividend record dates during the period between the date an award is granted and the date such award vests, is exercised, is distributed or expires, as determined by the plan administrator, and may be settled in cash or shares as determined by the plan administrator. Dividend equivalents with respect to an award with performance-based vesting that are based on dividends paid prior to the vesting of such award will only be paid out to the extent that the performance-based vesting conditions are subsequently satisfied and the award vests.
- *Performance Shares.* Performance shares are contractual rights to receive shares of common stock in the future based on the attainment of specified performance goals, in addition to other conditions which may apply to these awards.
- *Stock Payments.* Stock payments are awards of fully-vested shares of common stock that may, but need not, be granted in lieu of all or any part of compensation, including base salary, bonus or fees that would otherwise be payable in cash to the recipient.

Performance Awards. Performance awards include any of the foregoing awards that are granted subject to vesting and/or payment based on the attainment of specified performance goals. The plan administrator will determine whether performance awards are intended to constitute “qualified performance-based compensation,” or QPBC, within the meaning of Section 162(m) of the Code.

Section 162(m) of the Code imposes a \$1,000,000 cap on the compensation deduction that a publicly-held corporation may take in respect of compensation paid to its “covered employees” (which generally includes the corporation’s chief executive officer and next three most highly compensated employees other than the chief financial officer), but excludes from the calculation of amounts subject to this limitation any amounts that constitute QPBC. Under a special transition rule for private companies that become publicly held, the company does not expect Section 162(m) of the Code to apply to certain awards under the 2017 Plan until the earliest to occur of (i) the annual stockholders’ meeting at which members of its board of directors are to be elected that occurs after the close of the third calendar year following the calendar year in which occurred the first registration of its equity securities under Section 12 of the Exchange Act; (ii) a material modification of the 2017 Plan; (iii) the exhaustion of the share supply under the 2017 Plan; or (iv) the expiration of the 2017 Plan. However, QPBC performance criteria may be used with respect to performance awards that are not intended to constitute QPBC. In addition, the company may issue awards that are not intended to, or that otherwise do not, constitute QPBC even if such awards might be non-deductible as a result of Section 162(m) of the Code.

Amendment and Termination. The Board may terminate, amend or modify the 2017 Plan at any time. However, the company must generally obtain stockholder approval to increase the number of shares available under the 2017 Plan (other than as described above with respect to automatic annual increases or in connection with certain corporate events), to reprice options or SARs or to cancel any stock option or SAR in exchange for cash or another award when the option or SAR price per share exceeds the fair market value of the underlying shares. In addition, no amendment, suspension or termination of the 2017 Plan may, without the consent of the holder, materially and adversely affect any rights or obligations under any award previously granted, unless the award itself otherwise expressly so provides. No award may be granted pursuant to the 2017 Plan after the tenth anniversary of the effective date of the 2017 Plan. Any award that is outstanding on the termination date of the 2017 Plan will remain in force according to the terms of the 2017 Plan and the applicable award agreement.
